

ADÉ STOOL

Design by François Champsaur

LARGEUR / WIDTH	63 cm/ 24,8 in
PROFONDEUR / DEPTH	38 cm/ 15 in
HAUTEUR / HEIGHT	34 cm/ 13,4 in

Each piece is handmade from recycled metals in Burkina Faso and finished in France. Bronze is a living material and oxidizes with age and environment which makes its beauty. Variations, Stains and Imperfections in the texture finishes are part of the artisanal process MAISON INTÈGRE is vividly supporting.

TEXTURES & FINISHES AVAILABLE

Different textures and finishes are available upon request depending on the pieces.
