

BANDE DE LOBI CANDLEHOLDERS
 Recycled bronze
 Design by Pia Chevalier

Height	16 - 22 - 17 cm
Lenght	14 - 6 - 8 cm
Width	14 - 6 - 8 cm

Each piece is handmade from recycled metals in Burkina Faso and finished in France. Bronze is a living material and oxidizes with age and environment which makes its beauty. Variations, stains and imperfections in the texture finishes are part of the artisanal process Maison Intègre is vividly supporting.
