

TÔLE CONSOLE
Recycled bronze
Design by Marion Mailaender

Height	85	cm
of the tray		
Height	96	cm
Lenght	120	cm
Width	31	cm

Each piece is handmade from recycled metals in Burkina Faso and finished in France. Bronze is a living material and oxidizes with age and environment which makes its beauty. Variations, stains and imperfections in the texture finishes are part of the artisanal process Maison Intègre is vividly supporting.
